

WORLD PSYCHIC INSTITUTE

The experts at World Psychic Institute have rigorously evaluated every source with any claim to influence human happiness. Detailed analysis has been made of the magical and the mystical, the religious and the scientific.

They have studied the philosophers and the ancient civilisations, the clairvoyants and the numerologists, the astrologers, the magi and shamans, as well as academics, researchers and psychiatrists.

Dismissing the charlatans they have separated fact from fiction, before distilling their findings to establish what they consider the universal truths.
